

P2. Project – 2nd Step – Part 2/4 -- Bible Cards

[Home](#)

The Bible Cards home page is the first page at the top level of the Bible Cards website. It provides high level basic information on Bible Cards, what they are, how they can be used to supplement Sunday School lessons, and why they are important. Additionally, the home page is used to navigate to other pages where users can find more information on Bible Cards, lesson plan ideas, how to order free Bible Cards, and donations.

[What Are Bible Cards?](#)

The 'What Are Bible Cards?' page will dive into the details. Introductory information will be followed by details such as format, layout, card series, and examples.

[Why Use Bible Cards?](#)

The 'Why Use Bible Cards?' page will explain the reason why church leaders should implement Bible cards into their children's ministry lesson plans. Information about the cards, such as illustrations, fun facts, and related Bible passages help to make the case along with testimonials.

[Lesson Ideas](#)

The 'Lesson Ideas' page will provide sample lesson plans using Bible Cards. Users can view inspiring images and videos and download full lesson plans.

[How To Order](#)

The 'How To Order' page will allow users to place a free order. The page contains an easy-to-use form to complete orders, and it includes a confirmation code so users know their order was successfully submitted.

Contact

The 'Contact' page provides a basic form that can be used to ask questions or provide feedback concerning the Bible Cards website.

Donations

The 'Donations' page will allow users to make donations to support Bible cards.
